

## TABLE OF CONTENTS

	Preface	
1	Vitamin A (1978 Summary, Metabolism, Deficiency, Toxicity, Human Studies)	1
2	Vitamin D (1978 Summary, Metabolism, Toxicity, Human Studies)	19
3	Vitamin E and Selenium (1978 Summary, Metabolism, Deficiency, Bioavailability, Toxicity and Megadose Effects, Human Studies)	42
4	Vitamin K (Metabolism)	62
5	Vitamin C (1978 Summary, Metabolism, Deficiency, Detoxifying Action, Toxicity and Megadose Effects, Requirement, Bioavailability, Human Studies)	66
6	Thiamin (1978 Summary, Metabolism, Deficiency, Requirement, Bioavailability, Human Studies)	84
7	Riboflavin (1978 Summary, Metabolism, Deficiency, Requirement, Bioavailability, Human Studies)	92
8	Vitamin B <sub>6</sub> (1978 Summary, Metabolism, Deficiency, Bioavailability, Requirement, Human Studies)	97
9	Folic Acid and Vitamin B <sub>12</sub> (1978 Summary, Metabolism, Deficiency, Bioavailability, Toxicity and Megadose Effects, Human Studies)	114
10	Other Vitamin Studies (1978 Summary, Biotin, Choline, Niacin, Pantothenic Acid and Coenzyme A, Miscellaneous Vitamin Studies)	135
11	Zinc (1978 Summary, Metabolism, Deficiency, Toxicity and Megadose Effects, Bioavailability, Human Studies)	156
12	Copper (1978 Summary, Metabolism, Deficiency, Human Studies)	177
13	Iron (1978 Summary, Metabolism, Deficiency, Bioavailability, Human Studies)	187
14	Other Trace Mineral Studies (1978 Summary, Cadmium, Chromium, Fluoride, Iodine Metabolism, Manganese, Nickel, Vanadium, Silicon, Sulfur, Miscellaneous Mineral Studies)	208
	References	239
	Index	297
