

List of Plates

- 1 Upper Surface of Base of Skull
- 2 Median Section of Skull
- 3 Median Section of Head
- 4 Coronal Section through Foramen Magnum, viewed from in front
- 5 Upper Surface of Base of Skull with Tentorium Cerebelli in situ
- 6 Sphenoidal (Air) and Cavernous (Venous) Sinuses
- 7 Venous Sinuses of Base of Skull
- 8A Trigeminal Ganglion and Superior Orbital Fissure
B Walls of Orbit
- 9 Section of Eyeball
- 10A Coats and Fascial Sheath of Eyeball
B Suspensory Ligament of Eyeball
- 11 Muscles and Nerves of Orbit, seen from the side
- 12A Ophthalmic Vessels
B Nasociliary Nerve
- 13 Nerves and Tarsi of Eyelids
- 14 The Eye
- 15 Dissection to Illustrate Lacrimal Apparatus
- 16 Face and Front of Skull
- 17 Side View of Skull
- 18 Facial Muscles
- 19 Dissection to show Facial Nerve and its Branches
- 20 Parotid Gland and Superficial Nerves of Head
- 21 Diagram showing Distribution of Cutaneous Nerves to Head and Neck
- 22 Deep Relations of Parotid Gland
- 23 Superficial Vessels of Head
- 24 Infratemporal and Submandibular Regions: First Stage Dissection
- 25 Part of Side of Skull, tilted to show Infratemporal Fossa
- 26 Lower Surface of Base of Skull
- 27 Infratemporal and Submandibular Regions: Second Stage Dissection
B Interior of Larynx
- 28 Infratemporal and Submandibular Regions: Third Stage Dissection
- 29 Infratemporal and Submandibular Regions: Fourth Stage Dissection
- 30A Maxillary Nerve, Pterygopalatine Ganglion and their Branches
B Maxillary Artery and its Branches
- 31 Floor of Oral Cavity
A Seen from above
B Seen from below.
- 32 Coronal Sections through Submandibular Region
A Through Sublingual Gland
B Through Submandibular Gland
- 33 Section through Lip and Cheek
- 34 Sublingual Region
- 35 Palate, Tonsils and Tongue
- 36 Bony Palate
- 37A Skeleton of External Nose
B Septum of Nose
- 38 Skeleton of Side Wall of Nose
- 39 Sagittal Section to demonstrate Left Half of Nasal Cavity, Mouth and Larynx
- 40 Side Wall of Nose and Nasopharynx
- 41 Cartilaginous Part of Left Auditory Tube
- 42 Coronal Section through Orbit, Nose and Mouth
- 43 Horizontal Section immediately above Tongue
- 44 Anterior Wall of Cavity of Pharynx, viewed from behind
- 45 Constrictors of Pharynx
- 46 Horizontal Section through the Ear, viewed from above
- 47 Relations of Middle Ear
- 48 Chorda Tympani Nerve and Lateral Wall of Middle Ear, viewed from medial side
- 49 Contents of Middle Ear, viewed from medial side
- 50A Vestibulocochlear (VIIIth Cranial) Nerve
B Left Auricle
- 51 Superficial Structures in Neck
- 52 Schematic Transverse Section of Neck
- 53 Cervical Fascia: Medial Relations of Thyroid Gland
- 54 Anterior Median Region of Neck
- 55 Prevertebral Region
- 56A Cartilages of Larynx
B Membranes and Muscles of Larynx
- 57A Muscles of Larynx
B Interior of Larynx
- 58 Root of Neck
- 59 Triangles of Neck
- 60 Root and Posterior Triangle of Neck
- 61 Transverse Section immediately above Third Thoracic Vertebra
- 62 Sagittal Section through Cervical Pleura
- 63 Styloid Muscles and Carotid Arteries
- 64 Brachial Plexus
- 65 Branches of Sympathetic Trunk in Neck
- 66 Suboccipital Region viewed from behind
