Preface	vii
History	xi
Acknowledgements	xiv
General notices	1
Abbreviations and symbols	2
Tests, methods, and general requirements	5
Monographs for pharmaceutical substances	37
Monographs for tablets	147
Monographs for antimalarial drugs	185
List of reagents, test solutions, and volumetric solutions	235
Amendments and corrigenda to Volumes 1, 2, 3, and 4	255
Supplementary information	315
Index	343

Tests, methods, and general requirements 5

General requirements for dosage forms	7
Ophthalmic preparations	7
Requirements for specific types of ophthalmic preparations	9
Suppositories	11
Tests for dosage forms	14
Disintegration test for suppositories	14
Dissolution test for solid oral dosage forms	18
Test for extractable volume for parenteral preparations	27
Microbial purity of pharmaceutical preparations	28
Test for bacterial endotoxins	30
Test for sterility of non-injectable preparations	32
Visual inspection of particulate matter in injectable preparations	33

Monographs for pharmaceutical substances (Latin names)	37
Albendazolum	39
Alcuronii chloridum	41
Amoxicillinum trihydricum	43
Atenololum	47
Benznidazolum	49
Benzoylis peroxidum cum aqua	51
Captoprilum	54
Chlorali hydras	57
Chloramphenicoli natrii succinas	58
Ciclosporinum	62
Ciprofloxacini hydrochloridum	65
Ciprofloxacinum	68
Clindamycini phosphas	71
Dacarbazinum	74
Diethyltoluamidum	77
Dinitrogenii oxidum	78
Dithranolum	86
Erythromycini lactobionas	90
Etoposidum	92
Heparinum calcicum	95
Heparinum natricum	99
Idoxuridinum	102
Isosorbidi dinitras dilutus	105
Ketoconazolum	108
Levamisoli hydrochloridum	110
DL-Methioninum	112
Methyrosanilini chloridum	114
Metronidazoli benzoas	117
Nifedipinum	119
Nonoxinolum 9	122
Oxygenium	126
Prednisoloni natrii phosphas	132
Protamini sulfas	135
Retinolum densatum oleosum	138
Selenii disulfidum	140
Sulfadiazinum argentum	142
Tropicamidum	144

Monographs for tablets (Latin names) 147

Allopurinoli compressi	149
Carbamazepini compressi	150
Codeini phosphatis compressi	152
Colchicini compressi	153
Dexamethasoni compressi	155
Diloxanidi furoatis compressi	157
Doxycyclini hyclatis compressi	159
Erythromycini ethylsuccinatis compressi	161
Erythromycini stearatis compressi	163
Ethambutoli hydrochloridi compressi	165
Ibuprofeni compressi	167
Indometacini compressi	168
Isoniazidi compressi	170
Morphini sulfatis compressi	171
Pethidini hydrochloridi compressi	172
Phenobarbitali compressi	174
Phenytoini natrici compressi	176
Praziquanteli compressi	177
Prednisoloni compressi	179
Pyranteli embonatis compressi	181

Monographs for antimalarial drugs (Latin names) 185

Artemetherum	187
Artemetheri capsulae	190
Artemetheri compressi	193
Artemetheri injectio	195
Artemisininum	198
Artemisinini capsulae	202
Artemisinini compressi	205
Artemotilum	209
Artemotili injectio	212
Artenimolum	215
Artenimoli compressi	218
Artesunatum	222
Artesunati compressi	225
Mefloquini hydrochloridum	228
Proguanili hydrochloridum	231

Supplementary information	315
Annotated references	317
List of available International Chemical Reference Substances	319
List of available International Infrared Reference Spectra	326
General guidelines for the establishment, maintenance, and distribution of chemical reference substances	328
