1

- THE DEVELOPMENT OF SURGERY:  
Historical Aspects Important in the Origin  
and Development of Modern  
Surgical Science ..... 1

2

- HOMEOSTASIS: Bodily Changes in Trauma  
and Surgery ..... 6

3

- SHOCK: Causes and Management of  
Circulatory Collapse ..... 11

4

- FLUID AND ELECTROLYTE  
MANAGEMENT OF THE  
SURGICAL PATIENT ..... 25

5

- PRINCIPLES OF PREOPERATIVE  
PREPARATION OF THE SURGICAL  
PATIENT ..... 39

6

- BLOOD TRANSFUSIONS AND DISORDERS  
OF SURGICAL BLEEDING ..... 48

7

- METABOLISM IN SURGICAL PATIENTS:  
Protein, Carbohydrate, and Fat Utilization by  
Oral and Parenteral Routes ..... 56

8

- SURGICAL ASPECTS OF DIABETES  
MELLITUS ..... 63

9

- ANESTHESIA ..... 69

10

- WOUND HEALING: Biologic and  
Clinical Features ..... 80

<b>11</b>	
BURNS: Including Cold, Chemical, and Electric Injuries .....	86
<b>12</b>	
PRINCIPLES OF OPERATIVE SURGERY: Antisepsis, Technique, Sutures, and Drains ....	93
<b>13</b>	
SURGICAL INFECTIONS .....	99
<b>14</b>	
SNAKE AND INSECT BITES AND RABIES .....	115
<b>15</b>	
TRAUMA: Management of Acute Injuries .....	121
<b>16</b>	
SURGICAL COMPLICATIONS .....	140
<b>17</b>	
ACUTE RENAL FAILURE IN SURGICAL PATIENTS: Prevention and Treatment .....	147
<b>18</b>	
TRANSPLANTATION .....	156
<b>19</b>	
THE ROLE OF PROSTAGLANDINS, THROMBOXANE, AND LEUKOTRIENES IN SURGERY .....	218
<b>20</b>	
IMMUNOBIOLOGY OF NEOPLASTIC DISEASE; MELANOMA; SOFT TISSUE SARCOMAS .....	223
<b>21</b>	
THE BREAST .....	243

<b>46</b>	
THE URINARY SYSTEM .....	662
<b>47</b>	
THE MALE GENITAL SYSTEM .....	670
<b>48</b>	
DISORDERS OF THE LYMPHATIC SYSTEM .....	681
<b>49</b>	
VENOUS DISORDERS .....	686
<b>50</b>	
PULMONARY EMBOLISM .....	697
<b>51</b>	
FAT EMBOLISM SYNDROME .....	709
<b>52</b>	
DISORDERS OF THE ARTERIAL SYSTEM .....	711
<b>53</b>	
DISORDERS OF THE LUNGS, PLEURA, AND CHEST WALL .....	773
<b>54</b>	
THE MEDIASTINUM .....	815
<b>55</b>	
SURGICAL DISORDERS OF THE PERICARDIUM .....	836
<b>56</b>	
THE HEART .....	841
<b>57</b>	
THE ROLE OF COMPUTERS IN SURGICAL PRACTICE .....	975
<b>INDEX</b>	981
