

CONTENTS

VOLUME I

Chapter 1

| | |
|---|----|
| TECHNIQUES AND APPLICATIONS OF UROGRAPHY | 1 |
| Definitions | 1 |
| Historical Perspective..... | 2 |
| The Controversial History of Excretory Urography..... | 2 |
| <i>by Victor F. Marshall</i> | |
| The Plain Film (KUB; Scout Film)..... | 5 |
| Necessity for Plain Film Before Urogram..... | 5 |
| Technique of Making a Plain Film..... | 7 |
| The Excretory Urogram | 12 |
| Basic Concepts | 12 |
| Contrast Media for Urography | 13 |
| Reactions to Contrast Media..... | 18 |
| Increased Risk Factors in Urography..... | 23 |
| Treatment of Reactions | 26 |
| Excretory Urography in Adults | 27 |
| Excretory Urography in Children..... | 38 |
| <i>by Charles E. Shopfner</i> | |
| Excretory Urography as a Test of Renal Function | 42 |
| Excretory Urography as Routine Examination | |
| Preliminary to Cystoscopy..... | 44 |
| Disadvantages of Excretory Urography | 45 |
| Radiation Dose From Excretory Urography..... | 45 |
| Drip-Infusion Urography..... | 46 |
| Minute-Sequence Urography (Rapid-Sequence Pyelogram) | 52 |
| Tomography; Nephrography; Nephrotomography..... | 53 |
| Tomography | 53 |
| Nephrography (The Nephrogram) | 54 |
| Intravenous Nephrotomography (The Nephrotomograph) | 55 |
| Retrograde Pyelography | 58 |
| Technique of Retrograde Pyelography | 58 |
| The Air-Pyelogram or Double-Contrast Pyelogram..... | 64 |
| The Delayed Pyelogram | 64 |
| Cystography, Urethrography, and Cystourethrography | 65 |
| The Cystogram | 65 |
| The Retrograde (Simple) Urethrogram..... | 68 |
| The Cystourethrogram | 70 |

CONTENTS

| | |
|--|------------|
| Voiding Cystourethrography in Children | 74 |
| <i>by Charles E. Shopfner</i> | |
| Seminal Vesiculography, Epididymography, and Utriculography..... | 76 |
| Seminal Vesiculography..... | 76 |
| Epididymography..... | 85 |
| Utriculography..... | 87 |
| References | 88 |
| Chapter 2 | |
| TECHNIQUES AND APPLICATIONS OF RENAL ANGIOGRAPHY | 94 |
| General Considerations..... | 94 |
| Radiographic Equipment and Techniques for Renal Angiography | 94 |
| Radiographic Equipment..... | 94 |
| Radiographic Techniques for Renal Angiography..... | 97 |
| Patient Preparation and Anesthesia for Renal Angiography | 100 |
| Contrast Media for Renal Angiography | 101 |
| Percutaneous Transfemoral Catheterization Method (Seldinger Technique) | 101 |
| Materials for Percutaneous Catheterization | 103 |
| Technique of Percutaneous Catheterization | 105 |
| Abdominal Midstream Aortic Injection | 106 |
| Selective Renal Arteriography | 109 |
| Other Methods of Renal Angiography..... | 113 |
| Percutaneous Transaxillary Catheterization | 114 |
| The Translumbar Method | 115 |
| Percutaneous Noncatheter Brachial Method..... | 116 |
| Renal Venography | 117 |
| Adrenal Arteriography and Venography | 120 |
| Adrenal Arteriography | 120 |
| Adrenal Venography..... | 121 |
| Hazards of Renal Angiography..... | 123 |
| Complications Caused by Contrast Media..... | 123 |
| Vascular Complications of Renal Angiography | 125 |
| The Normal Renal Angiogram | 127 |
| Arterial Phase of the Normal Renal Angiogram..... | 127 |
| Nephrographic Phase of the Normal Renal Angiogram | 131 |
| Venous Phase of the Normal Renal Angiogram | 132 |
| Applications of Renal Angiography..... | 132 |
| Renal Vascular Disease..... | 132 |
| Renal Mass Lesions..... | 137 |
| Other Applications | 142 |
| References | 147 |
| Chapter 3 | |
| RENAL MASS PUNCTURE AND PERCUTANEOUS TRANSLUMBAR PYELOGRAPHY | 150 |
| Renal Mass Puncture | 150 |
| Selection of Patients for Renal Mass Puncture | 150 |

| | |
|---|-----|
| Procedure of Renal Mass Puncture..... | 152 |
| Characteristics of Fluid Aspirate..... | 158 |
| Roentgen Findings in Investigation of Renal Masses..... | 162 |
| Hazards of Renal Mass Puncture..... | 164 |
| Percutaneous Translumbar Pyelography | 167 |
| Technique of Percutaneous Translumbar Pyelography | 167 |
| Indications for Percutaneous Translumbar | |
| Pyelography | 175 |
| Complications of Percutaneous Translumbar | |
| Pyelography | 179 |
| Clinical Application of Percutaneous Translumbar | |
| Pyelography | 179 |
| References | 183 |

Chapter 4

| | |
|---|-----|
| TECHNIQUES AND APPLICATIONS OF RADIONUCLIDES IN UROLOGY..... | 185 |
|---|-----|

by Anton J. Bueschen

| | |
|---|-----|
| Evaluation of the Kidney | 185 |
| Equipment and Materials..... | 185 |
| Technique..... | 187 |
| Applications of Scintillation Camera Studies of the Kidney | 190 |
| Evaluation of the Bladder | 207 |
| Evaluation of the Testis | 210 |
| Evaluation of Adrenal Function..... | 210 |
| References | 212 |

Chapter 5

| | |
|--|-----|
| TECHNIQUES AND APPLICATIONS OF SONOGRAPHY AND COMPUTED TOMOGRAPHY | 214 |
|--|-----|

| | |
|--|-----|
| SECTION I: SONOGRAPHY OF THE GENITOURINARY TRACT AND RETROPERITONEUM..... | 214 |
|--|-----|

by Joshua A. Becker and Morton Schneider

| | |
|--|-----|
| Introduction | 214 |
| A Glossary of Diagnostic Ultrasound | 215 |
| The Normal Renal Sonogram..... | 216 |
| Ultrasound Guidance for Needle Placement..... | 227 |
| Renal Outline Mapping and Biopsy..... | 233 |
| Sonographic Diagnosis of Congenital Anomalies..... | 235 |
| Sonographic Diagnosis of Renal Mass Lesions..... | 245 |
| Cyst..... | 250 |
| Neoplasm..... | 253 |
| Pitfalls in the Diagnosis of Renal Mass Lesions | 263 |
| Sonographic Diagnosis of Hydronephrosis | 276 |
| Sonographic Diagnosis of Infection | 290 |
| Retroperitoneal Neoplasia | 319 |
| Additional Urologic Applications of Diagnostic Ultrasound..... | 323 |

| | |
|--|-----|
| SECTION II: COMPUTED TOMOGRAPHY OF THE GENITOURINARY TRACT AND RETROPERITONEUM..... | 339 |
|--|-----|

By Robert R. Hattery, Byrn Williamson, Jr., and Glen W. Hartman

| | |
|---|-----|
| Technique of Computed Tomography | 341 |
| Artifacts | 343 |
| Image Interpretation..... | 344 |
| Anatomic Considerations..... | 344 |
| CT Evaluation of Masses | 354 |
| CT Evaluation of Pelvic, Vesical, and Prostatic Masses..... | 354 |
| CT Evaluation of Renal Masses | 360 |
| CT Evaluation of Adrenal Tumors..... | 367 |
| CT Evaluation of Hydronephrosis | 368 |
| CT Evaluation of Calculous Disease | 370 |
| CT Evaluation of Parenchymal Renal Disease..... | 372 |
| Conclusion | 372 |
| References | 373 |
| Chapter 6 | |
| LYMPHOGRAPHY..... | 377 |
| <i>by W. Eugene Miller</i> | |
| Terminology | 377 |
| History and Development..... | 377 |
| Technique..... | 378 |
| Locating the Peripheral Lymphatic Channels | 378 |
| Cannulation of Lymphatic Vessels for Injection of Contrast Media..... | 379 |
| Injection of Contrast Media | 379 |
| Exposure of Films | 380 |
| Lymphograms in the Normal State | 381 |
| Lymph Channels..... | 381 |
| Lymph Nodes..... | 381 |
| Lymphograms in Pathologic States..... | 383 |
| Lymphographic Criteria for the Presence of Nodal Involvement With Metastasis..... | 384 |
| Abnormal Lymphograms Due to Causes Other Than Neoplasms | 385 |
| Role of Lymphography in Genitourinary Malignancies | 385 |
| Lymphedema; Edema of Obscure Origin | 392 |
| Chylous Ascites, Chyluria, or Protein-Losing Gastroenteropathy of Obscure Origin | 392 |
| Lymphatic Fistulas and Lymphocysts | 393 |
| Idiopathic Retroperitoneal Fibrosis | 393 |
| Complications of Lymphography..... | 393 |
| Minor Complications | 393 |
| Major (Serious) Complications | 394 |
| References | 394 |
| Chapter 7 | |
| THE PLAIN FILM OF THE URINARY TRACT (KUB) | 396 |
| Terminology | 396 |
| Method of Examining the Plain Film | 396 |
| Importance of Making a Preliminary Plain Film (KUB) | 400 |
| Importance of Making Technically Good Films | 402 |
| Diagnostic Errors Caused by Films of Poor Quality | 402 |

| | |
|---|-----|
| Confusing Extraurinary Shadows | 404 |
| Opaque Shadows Simulating the Density of Calcific Material or Contrast Media in the Urinary Tract..... | 404 |
| Nonopaque Soft-Tissue Shadows of Both Urinary and Extraurinary Organs | 437 |
| Opaque Shadows Originating Within the Urinary Tract..... | 442 |
| Calcific Deposits..... | 442 |
| Foreign Bodies | 446 |
| Lesions Originating in, or Involving Secondarily, the Lumbar Vertebrae and Bony Pelvis | 450 |
| Congenital and Developmental Lesions..... | 458 |
| Metastasis to Bone From Carcinoma of Prostate and Other Tumors: Differential Diagnosis From Paget's Disease (Osteitis Deformans)..... | 465 |
| References | 479 |

Chapter 8

| | |
|---|------------|
| THE NORMAL UROGRAM..... | 481 |
| General Considerations..... | 481 |
| Anatomy..... | 481 |
| Urography | 488 |
| The Kidney | 488 |
| The Ureters | 532 |
| Nephroptosis | 542 |
| The Bladder and Urethra | 546 |
| Excretory and Retrograde Cystograms | 546 |
| Cystourethrograms | 552 |
| References | 563 |

VOLUME II

Chapter 9

| | |
|---|------------|
| ANOMALIES OF THE GENITOURINARY TRACT..... | 565 |
| Clinical Classification of Anomalies..... | 565 |
| The Kidney and Ureter | 566 |
| Embryology of the Kidney and Ureter..... | 566 |
| Anomalies in Number..... | 569 |
| Anomalies in Size | 577 |
| Anomalies in Position | 579 |
| Anomalies in Form..... | 604 |
| Anomalies in Structure | 642 |
| The Renal Pelvis and Ureter | 642 |
| Anomalies in Number..... | 642 |
| Anomalies of Ureteropelvic Juncture; Obstruction at Ureteropelvic Juncture | 672 |
| Anomalies in Position and Form of Ureter | 672 |
| Anomalies of Origin and Termination of the Ureter | 684 |
| The Bladder and Urethra | 729 |
| Embryology of the Bladder | 729 |
| Anomalies of the Urachus | 732 |

| | |
|---|-----|
| Anomalies of the Bladder..... | 736 |
| Embryology of the Urethra..... | 751 |
| Anomalies of the Urethra | 755 |
| Deep Pelvic Cysts..... | 765 |
| Congenital Absence of the Abdominal Muscles (Prune Belly Syndrome) | 777 |
| Intersexuality: Genitography in the Intersexual State | 779 |
| <i>by Charles E. Shopfner</i> | |
| The Nature of Sex..... | 780 |
| Technique of Genitography..... | 784 |
| Classification of Anatomy | 785 |
| Comment | 790 |
| Urologic Aspects of Ectopic Anus (Imperforate Anus; Anal Atresia)..... | 791 |
| <i>by Charles E. Shopfner</i> | |
| Embryology..... | 792 |
| Technique of Roentgenographic Examination..... | 793 |
| Classification of Roentgen Findings | 795 |
| Associated Congenital Anomalies..... | 798 |
| Suggested Method of Management..... | 799 |
| Comment | 800 |
| References | 801 |
| Chapter 10 | |
| INFECTIOUS DISEASES OF THE GENITOURINARY TRACT | 809 |
| <i>by Glen W. Hartman, Joseph W. Segura, and Robert R. Hattery</i> | |
| Acute Pyelonephritis | 809 |
| Gross Pathologic Appearance in Acute Pyelonephritis | 809 |
| Microscopic Findings in Acute Pyelonephritis..... | 809 |
| Roentgen Findings in Acute Pyelonephritis | 810 |
| Chronic Pyelonephritis | 817 |
| Routes of Infection | 818 |
| Gross Pathologic Changes in Chronic Pyelonephritis | 818 |
| Intrarenal Reflux and the Role of Infection | 819 |
| Roentgen Diagnosis in Chronic Pyelonephritis..... | 821 |
| Vesicoureteral Reflux in Adults..... | 837 |
| Chronic Pyelonephritis in Children..... | 838 |
| Xanthogranulomatous Pyelonephritis..... | 839 |
| Radiographic Findings in Xanthogranulomatous Pyelonephritis | 840 |
| Renal and Perirenal Abscess..... | 842 |
| <i>by H. Peter Jander</i> | |
| Etiology of Renal and Perirenal Abscesses | 842 |
| Pathophysiology of Renal and Perirenal Abscesses..... | 843 |
| Clinical Aspects of Renal and Perirenal Abscesses | 844 |
| Roentgen Findings in Renal and Perirenal Abscesses..... | 848 |
| Responses of the Collecting System to Infection..... | 867 |
| Pyeloureteritis and Cystitis Cystica | 873 |
| Malacoplakia | 876 |
| Gas-Producing Infections of the Urinary Tract..... | 878 |
| Cystitis | 883 |
| Bacterial Cystitis | 883 |
| Interstitial Cystitis..... | 883 |
| Cyclophosphamide Cystitis | 885 |

| | |
|---|------------|
| Eosinophilic Cystitis | 885 |
| Cystitis Glandularis..... | 885 |
| Tubercular Cystitis..... | 888 |
| Prostatitis (Acute Bacterial Prostatitis, Chronic Bacterial Prostatitis, Chronic Prostatitis [“Prostatitis”]); Prostatic Duct Abscess..... | 888 |
| Granulomatous Prostatitis..... | 891 |
| Brucellosis of the Urinary Tract..... | 891 |
| Roentgen Findings in Brucellosis | 891 |
| Fungal Infection of the Kidney | 895 |
| Renal Candidiasis and Actinomycosis..... | 895 |
| Tuberculosis of the Genitourinary Tract | 898 |
| Pathogenesis of Genitourinary Tuberculosis..... | 898 |
| Clinical and Laboratory Findings in Genitourinary Tuberculosis..... | 898 |
| Roentgen Findings in Genitourinary Tuberculosis | 899 |
| Genitotuberculosis | 918 |
| Genitourinary Bilharziasis (Schistosomiasis)..... | 921 |
| <i>by Abdel Aziz Zaky Hanna</i> | |
| Pathogenesis of Genitourinary Bilharziasis..... | 922 |
| Pathology of Genitourinary Bilharziasis | 922 |
| Genital Involvement in Bilharziasis | 927 |
| Roentgen Diagnosis in Genitourinary Bilharziasis..... | 927 |
| Echinococcus Cysts (Renal Hydatidosis)..... | 940 |
| Epidemiology of Renal Hydatidosis | 940 |
| Pathogenesis of Genitourinary Infestation in Renal Hydatidosis | 941 |
| Diagnosis of Renal Hydatidosis | 942 |
| References | 949 |
| Chapter 11 | |
| URINARY STASIS: THE OBSTRUCTIVE UROPATHIES, ATONY, VESICOURETERAL REFLUX, AND NEUROMUSCULAR DYSFUNCTION OF THE URINARY TRACT | 955 |
| Terminology | 955 |
| Classification of Stasis..... | 955 |
| Obstructive and Nonobstructive Varieties of Stasis..... | 955 |
| Pyelectasis (Hydronephrosis)..... | 955 |
| Pathophysiologic Changes in the Kidney | 955 |
| Roentgen Findings in Pyelectasis | 956 |
| Renal Radioisotopic Studies in Pyelectasis..... | 971 |
| Localized Dilatation of Calyx (Hydrocalyx, Calyceal Diverticulum, and Pyelogenic Cyst); Hydrocalycosis..... | 974 |
| Hydrocalycosis..... | 983 |
| Vascular Obstruction of the Infundibulum of the Upper Calyx | 983 |
| Obstruction at the Ureteropelvic Juncture..... | 986 |
| Pathogenesis of Ureteropelvic Juncture Obstruction..... | 987 |
| Urographic Diagnosis of Ureteropelvic Juncture Obstruction | 999 |
| Ureterectasis and Ureteropyelectasis | 1005 |
| Obstructive Ureterectasis; Obstruction At or Above the Ureterovesical Juncture..... | 1011 |
| Vesicoureteral Reflux..... | 1017 |
| <i>by Panayotis P. Kelalis</i> | |

CONTENTS

| | |
|--|-------------|
| General Considerations..... | 1018 |
| Roentgen Findings in Vesicoureteral Reflux..... | 1018 |
| Etiology of Vesicoureteral Reflux..... | 1038 |
| Factors Affecting the Course and Prognosis of Vesicoureteral Reflux..... | 1050 |
| Vesicoureteral Reflux in Adults..... | 1059 |
| Management of Vesicoureteral Reflux..... | 1062 |
| <i>Stasis Involving the Lower Part of the Urinary Tract.....</i> | <i>1080</i> |
| <i>by David C. Utz and David M. Barrett</i> | |
| Neurogenic Bladder | 1080 |
| Congenital Obstruction of the Vesical Neck and Urethra; Distal Urethral Obstruction; Stenosis of the Urethral Meatus | 1100 |
| Congenital Urethral Valves | 1106 |
| Urethral Polyps in Boys | 1119 |
| Congenital Stenosis of the Urethral Meatus..... | 1122 |
| Congenital, Iatrogenic, and Traumatic Strictures of the Urethra in Infants and Children..... | 1123 |
| Vesical Diverticulum..... | 1129 |
| Obstruction of the Bladder Outlet in the Adult Male | 1135 |
| Urethral Diverticulum in the Male..... | 1149 |
| Urethral Stricture in Adult Males..... | 1150 |
| Postoperative Incontinence in the Male..... | 1162 |
| References | 1162 |

Chapter 12

| | |
|---|-------------|
| CALCULOUS DISEASE OF THE GENITOURINARY TRACT | 1171 |
| <i>by Reza S. Malek</i> | |
| General Considerations..... | 1171 |
| Classification | 1173 |
| Renal Calculi..... | 1176 |
| Clinical Features of Renal Calculi..... | 1176 |
| Roentgen Studies of Renal Calculi | 1179 |
| Pathogenesis and Medical Management..... | 1241 |
| Surgical Management of Renal Calculi | 1283 |
| Renal Calculi in Childhood..... | 1284 |
| Nephrocalcinosis..... | 1285 |
| Ureteral Calculi | 1294 |
| Clinical Features of Ureteral Calculi | 1294 |
| Roentgen Studies of Ureteral Calculi..... | 1294 |
| Management of Ureteral Calculi | 1331 |
| Vesical Calculi..... | 1338 |
| Endemic Calculi | 1338 |
| Clinical Features and Investigations of Vesical Calculi..... | 1340 |
| Management of Vesical Calculi..... | 1349 |
| Prostatic Calculi..... | 1349 |
| Classification of Prostatic Calculi | 1349 |
| Clinical Features of Prostatic Calculi..... | 1352 |
| Roentgen Features of Prostatic Calculi | 1352 |
| Management of Prostatic Calculi..... | 1356 |
| Urethral Calculi | 1359 |
| Clinical Features of Urethral Calculi..... | 1364 |

| | |
|--------------------------------------|------|
| Diagnosis of Urethral Calculi..... | 1364 |
| Management of Urethral Calculi | 1365 |
| References | 1365 |

VOLUME III

Chapter 13

| | |
|---|------|
| RENAL CYSTS | 1369 |
| Simple Cysts | 1371 |
| The Problem of Management | 1405 |
| Polycystic Renal Disease | 1410 |
| Infantile Polycystic Disease | 1410 |
| Adult Type Polycystic Disease | 1414 |
| Renal Dysplasia..... | 1427 |
| Multicystic Renal Dysplasia | 1430 |
| Cystic Dysplasia Associated With Obstruction of Lower Urinary Tract..... | 1435 |
| Multilocular Cysts..... | 1437 |
| Medullary Cystic Diseases | 1441 |
| Medullary Sponge Kidney (Renal Tubular Ectasia)..... | 1441 |
| Uremic Medullary Cystic Disease..... | 1451 |
| Pyelogenic Cysts..... | 1453 |
| Pararenal Pseudocysts (Urinomas)..... | 1455 |
| References | 1463 |

Chapter 14

| | |
|--|------|
| TUMORS OF THE GENITOURINARY TRACT | 1467 |
| Tumors of the Kidney, Renal Pelvis, and Ureter | 1467 |
| Benign Tumors of the Renal Cortex (Parenchyma) | 1468 |
| Malignant Tumors of the Renal Cortex (Parenchyma)..... | 1486 |
| Tumors of the Renal Pelvis and Ureter..... | 1554 |
| Benign Tumors | 1554 |
| Malignant Epithelial Tumors (Transitional Cell Epithelioma; Transitional Cell Carcinoma; Squamous Cell Epithelioma; Squamous Cell Carcinoma; Epidermoid Carcinoma)..... | 1560 |
| Retroperitoneal Tumors and Cysts | 1589 |
| Tumors and Cysts of Mesodermal Origin | 1589 |
| Tumors of Neurogenic Origin | 1606 |
| Tumors Arising From Embryonic Remnants..... | 1608 |
| Presacral Tumors (Middeldorpf Tumors; Retrorectal Tumors)..... | 1610 |
| Malignant Tumors of the Bladder..... | 1618 |
| Epithelial Tumors: Transitional Cell Epithelioma (Transitional Cell Carcinoma) and Squamous Cell Epithelioma (Squamous Cell Carcinoma; Epidermoid Carcinoma)..... | 1618 |
| Nonepithelial Tumors..... | 1639 |
| Metastatic Tumors of the Bladder | 1639 |
| Benign Tumors of the Bladder..... | 1641 |

| | |
|---|-------------|
| Tumors of the Urethra | 1643 |
| Tumors of the Male Urethra | 1643 |
| Tumors of the Female Urethra..... | 1646 |
| Tumors of the Seminal Vesicles | 1646 |
| Tumors of the Prostate..... | 1648 |
| Tumors of the Testes | 1650 |
| Tumors of the Genitourinary Tract in Children | 1652 |
| Tumors of the Upper Urinary Tract..... | 1652 |
| <i>by Panayotis P. Kelalis</i> | |
| Tumors of the Lower Urinary Tract..... | 1688 |
| <i>by Panayotis P. Kelalis</i> | |
| Tumors of the Adrenal Gland in Adults | 1700 |
| <i>by Robert R. Hattery, Patrick F. Sheedy, II, and Glen W. Hartman</i> | |
| Anatomy of Adrenal Gland | 1700 |
| Classification of Adrenal Tumors..... | 1700 |
| Tumors of the Adrenal Medulla | 1704 |
| Tumors of the Adrenal Cortex..... | 1706 |
| Radiographic Visualization of Adrenal Tumors | 1709 |
| Sonographic Evaluation of Adrenal Tumors..... | 1750 |
| Computerized Tomography (CT) in Evaluation of Adrenal Tumors | 1750 |
| Adrenal Scintigraphy | 1750 |
| References | 1753 |
| Chapter 15 | |
| TRAUMA TO THE URINARY SYSTEM; URINARY FISTULAS..... | 1767 |
| Trauma | 1767 |
| Injury to the Kidney | 1767 |
| Injury to the Ureter | 1822 |
| Injury to the Bladder and the Posterior Urethra..... | 1827 |
| Fistulas of the Urinary Tract..... | 1840 |
| Fistulas Involving the Kidney..... | 1842 |
| Fistulas Involving the Ureter..... | 1847 |
| Fistulas Involving the Bladder..... | 1848 |
| Fistulas Involving the Urethra..... | 1849 |
| Urinary-Vaginal Fistulas (Vesicovaginal; Ureterovaginal; Urethrovaginal) | 1854 |
| References | 1861 |
| Chapter 16 | |
| RENAL FAILURE AND RENAL PARENCHYMAL DISEASE | 1865 |
| <i>by Robert R. Hattery, Leonard A. Brennan, Jr., and Glen W. Hartman</i> | |
| SECTION I: RENAL FAILURE | 1865 |
| Acute Renal Failure | 1865 |
| Oliguric Phase of Acute Renal Failure..... | 1866 |
| Diuretic Phase of Acute Renal Failure..... | 1866 |
| Recovery Phase of Acute Renal Failure | 1867 |
| Chronic Renal Failure | 1867 |
| Radiographic Findings in Renal Failure | 1868 |
| Risks of Excretory Urography in Renal Failure..... | 1868 |
| The Excretory Urogram in Renal Failure | 1871 |
| The Renal Angiogram in Renal Failure..... | 1889 |

| | |
|---|------|
| SECTION II: RENAL PARENCHYMAL DISEASES | 1901 |
| General Considerations..... | 1901 |
| Glomerular Diseases | 1901 |
| Glomerulonephritis | 1901 |
| Radiographic Findings in Renal Glomerular Disease | 1903 |
| Diabetes Mellitus..... | 1910 |
| Amyloidosis..... | 1913 |
| Nephrotic Syndrome..... | 1925 |
| Tubulointerstitial Diseases..... | 1926 |
| Renal Papillary Necrosis | 1928 |
| S Hemoglobinopathy | 1944 |
| Nephrosclerosis and Renal Ischemia | 1946 |
| Scleroderma (Primary Systemic Sclerosis)..... | 1953 |
| Uric Acid Nephropathy | 1955 |
| Multiple Myeloma..... | 1957 |
| Sarcoidosis | 1960 |
| Radiation Nephritis | 1962 |
| Renal Cortical Necrosis..... | 1965 |
| References | 1971 |

Chapter 17

| | |
|---|------|
| RENOVASCULAR HYPERTENSION AND RENAL VASCULAR DISEASE | 1979 |
|---|------|

| | |
|---|------|
| SECTION I: RENOVASCULAR HYPERTENSION | 1979 |
| <i>by David S. Colville, Patrick F. Sheedy, II, and Cameron G. Strong</i> | |

| | |
|---|------|
| Basic Concepts | 1979 |
| Incidence of Renovascular Hypertension | 1981 |
| Diagnosis of Renovascular Hypertension | 1981 |
| Diagnostic Significance of Findings | 1982 |
| Excretory Urography | 1984 |
| Isotope Renography..... | 1988 |
| Combination of Excretory Urography and Isotope Renography | 1989 |
| Separated Renal Function Study | 1990 |
| Renal Vein Renin Activity..... | 1991 |
| Aortorenal Aortography | 1992 |
| Renovascular Lesions That May Cause Hypertension..... | 1993 |
| Atherosclerosis..... | 1993 |
| Fibromuscular Dysplasia..... | 1995 |
| Management of Renovascular Hypertension | 2001 |

| | |
|---|------|
| SECTION II: MISCELLANEOUS VASCULAR LESIONS AFFECTING THE URINARY TRACT | 2002 |
|---|------|

by David C. Utz and Richard E. Fulton
