

TABLE OF CONTENTS

SECTION ONE

The Nature of the Sulfapyrimidines

CHAPTER	PAGE
I Introduction	9
II Chemotherapeutic Action	21
III Pharmacology of the Sulfapyrimidines	44
IV The Sulfapyrimidines in Mixtures and Therapeutic Combinations	66
Bibliography	92

SECTION TWO

Sulfapyrimidines in the Management of Clinical Infections

I Streptococcal and Staphylococcal Infections	98
II Pneumococcal Infections	106
III Meningococcal Infections	111
IV Hemophilus Infections	117
V Brucella Infections	123
VI Other Infections Caused by Single Bacterial Invaders	127
VII Infections of the Eye, Ear, Nose and Throat	132
VIII Skin Infections	142
IX Infections of the Urinary Tract	149
X Infections of the Intestinal Tract	161
Bibliography	166
Index	172
