## PART ONE

### INTRODUCTION

David J. McIntyre

- 1 History of extracapsular cataract surgery, 3
- 2 General considerations, 8
- 3 Indications and contraindications, 13

## PART TWO

### EXTRACAPSULAR CATARACT SURGERY: McINTYRE TECHNIQUE

David J. McIntyre

- 4 Preoperative preparations, 19
- 5 Operative preparations, 21
- 6 Incision, 26
- 7 Anterior capsulectomy, 29
- 8 Wound extension, 34
- 9 Control sutures, 36
- 10 Removal of the nucleus, 38
- 11 Removal of the cortex, 42
- 12 Management of the posterior capsule, 50
- 13 Lens insertion, 53
- 14 Wound closure, 62
- 15 Surgical management of astigmatism, 68
- 16 Iridectomy and inspection, 71
- 17 Management of operative difficulties, 73
- 18 Special surgical considerations, 75
- 19 Postoperative care, 78

## PART THREE

### KELMAN PHACOEMULSIFICATION

Jared M. Emery

- 20 The Cavitron/Kelman Phaco-Emulsifier Aspirator System, 81  
**Edward Forrester**
- 21 Patient selection, 95

## PART FOUR

### KELMAN PHACOEMULSIFICATION SURGERY: EMERY TECHNIQUE

Jared M. Emery

- 22 Preoperative preparations, 103
- 23 Operative preparations, 123
- 24 Incision, 135
- 25 Anterior capsulectomy, 149
- 26 Prolapse of the lens nucleus into the anterior chamber, 167
- 27 Removal of the nucleus: emulsification, 174
- 28 Removal of the cortex: irrigation-aspiration, 205
- 29 Management of the posterior capsule, 216
- 30 Intraocular lens insertion, 229
- 31 Iridotomy/iridectomy, 237
- 32 Wound closure, 241
- 33 Prevention and management of operative difficulties, 247
- 34 Special surgical considerations, 262
- 35 Postoperative care, 276

**PART FIVE****COLOR ATLAS OF EXTRACAPSULAR SURGERY****David J. McIntyre****Jared M. Emery**

- 36** The McIntyre technique, 285  
**37** The Kelman phacoemulsification technique (as applied to small- and large-incision extracapsular cataract surgery), 306

**PART SIX****MANAGEMENT OF POSTOPERATIVE COMPLICATIONS****Jared M. Emery**

- 38** Postoperative complications, 323

**PART SEVEN****STATISTICS: COMPLICATIONS AND VISUAL RESULTS****Jared M. Emery**

- 39** Incidence of complications, 337

- 40** Visual results, 359

**Appendices**

- A** Safety margins in phacoemulsification, 365

**Jared M. Emery**

- B** Animal models for phacoemulsification techniques, 380

**William R. Voss**

- C** Nursing procedures for planned extracapsular extraction, 386

**David J. McIntyre**

- Bibliography**, 390
