

## CONTENTS

	<i>Page</i>
<i>Preface</i> .....	xiii
<i>Introduction</i> .....	1
The problems of drug therapy in the elderly .....	3
How aging may affect drug action .....	7
Choosing the right preparation .....	15
Adverse drug reactions in the elderly .....	23

## DRUG MONOGRAPHS

### *A. Alimentary tract and metabolism*

Antacids and other drugs used for gastric disorders .....	31
Anti-emetic drugs .....	35
Drugs in the treatment of bowel disorders .....	36
Antidiabetic drugs .....	40
Vitamins .....	44
Drugs for osteoporosis and osteomalacia .....	46
Potassium .....	49
Sodium .....	51
Anabolic steroids .....	52

### *B. Blood and blood forming organs*

Anticoagulant and antithrombotic drugs .....	53
Drugs for anaemia .....	57

<i>C. Cardiovascular system</i>	
Cardiac glycosides .....	59
Anti-arrhythmic drugs .....	62
Drugs for angina pectoris .....	66
Beta-blockers .....	69
Antihypertensive drugs .....	73
Diuretics .....	78
Drugs in peripheral arterial disease .....	81
<i>D. Dermatologicals</i>	
Drugs for skin disorders .....	83
<i>G. Genitourinary system and sex hormones</i>	
Drugs for genitourinary disorders .....	85
Estrogens .....	89
<i>H. Systemic hormonal preparations, excluding sex hormones</i>	
Corticosteroids .....	90
Thyroid preparations .....	92
Antithyroid drugs .....	94
<i>J. General anti-infectives, systemic</i>	
Antimicrobial drugs .....	97
<i>M. Musculo-skeletal system</i>	
Anti-arthritis drugs .....	100
Muscle relaxants .....	104
Drugs used in gout .....	106
<i>N. Central nervous system</i>	
Analgesics .....	109
Anticonvulsants .....	113
Antiparkinson drugs .....	115
Drugs for disturbed behaviour .....	118
Hypnotics and anxiolytics .....	121
Antidepressants .....	124
Cerebral vasodilators and activators .....	127
Antiobesity drugs .....	128

<i>R. Respiratory system</i>	
Bronchodilators .....	129
Cough suppressants .....	131
Expectorants .....	133
Antihistamines .....	134
<i>S. Sensory organs</i>	
Ophthalmological preparations .....	135
<i>V. Various</i>	
Drug treatment of malignant blood disorders .....	137
Drug treatment of malignant disease .....	139
Oxygen .....	141
Index of drug names appearing in the monographs .....	143
