

CONTENTS

ESOPHAGEAL PROCEDURES

Esophagogastrectomy	6
Esophagectomy and Reverse Gastric Tube	18
Esophagogastrectomy and Isoperistaltic Gastric Tube	22
Esophagogastrectomy and Colon Replacement	30
Palliative Side-to-Side Esophagogastrostomy	38
Collis-Nissen Procedure	40
Zenker's Diverticulectomy	48
Ligation of Esophageal Varices	50

GASTRIC PROCEDURES

Billroth II	56
Billroth I	70
Total Gastrectomy and Esophagojejunostomy	82
Total Gastrectomy and Jejunal Interposition	86
Paulino Gastric Substitute	90
Hunt Lawrence Pouch	96
Gastrostomy	100
Excision of Gastric Wall Lesion	106
Posterior Retrocolic Gastroenterostomy	108
Gastric Bypass	110
Vertical Banded Gastroplasty	114
Silastic Ring Vertical Gastroplasty	118
Pyloroplasty	122

INTESTINAL PROCEDURES

End-to-End Anastomosis	132
Functional End-to-End Anastomosis	138
Bypass Enteroenterostomy	148
Diverticulectomy	152
Appendectomy	154
Resection of Terminal Ileum and Ileocecostomy	156
Bypass Ileocolostomy	160
Right Hemicolectomy	164
Colocolostomy	168
Colostomy	174
Low Anterior Resection— End-to-End Anastomosis	180
Low Anterior Resection— Side-to-Side Anastomosis	190
Duhamel Procedure	196
Ileal "J" Pouch	202
Kock Ileal Reservoir	206

MISCELLANEOUS PROCEDURES

Cholecystectomy	216
Choledochojejunostomy	218
Pancreaticocystogastrostomy	222
Ileal Conduit	226

SKIN & FASCIA CLOSURE

Fascia Closure	232
Skin Closure	234

CAUTIONS & CONTRAINDICATIONS	236
------------------------------------	-----

This publication illustrates some surgical stapling techniques in general surgery. Before using any Auto Suture® surgical stapling instrument, read carefully the current information booklet for that device.
