

Information on CIBA COLLECTION Volumes

Since publication of its first volume, THE CIBA COLLECTION OF MEDICAL ILLUSTRATIONS continues to enjoy an almost "unheard-of" reception from members of the medical community. The remarkable illustrations by Frank H. Netter, M.D. and text discussions by select specialists make these books unprecedented in their educational, clinical, and scientific value.

- Volume 1 **NERVOUS SYSTEM**
"... a beautiful bargain ... and handsome reference work."
Psychological Record
- Volume 2 **REPRODUCTIVE SYSTEM**
"... a desirable addition to any nursing or medical library."
American Journal of Nursing
- Volume 3/I **DIGESTIVE SYSTEM (Upper Digestive Tract)**
"... a fine example of the high quality of this series."
Pediatrics
- Volume 3/II **DIGESTIVE SYSTEM (Lower Digestive Tract)**
"... a unique and beautiful work, worth much more than its cost."
Journal of the South Carolina Medical Association
- Volume 3/III **DIGESTIVE SYSTEM (Liver, Biliary Tract and Pancreas)**
"... a versatile, multipurpose aid to clinicians, teachers, researchers,
and students..." *Florida Medical Journal*
- Volume 4 **ENDOCRINE SYSTEM and Selected Metabolic Diseases**
"... another in the series of superb contributions made by CIBA..."
International Journal of Fertility
- Volume 5 **HEART**
"The excellence of the volume... is clearly deserving of highest praise."
Circulation
- Volume 6 **KIDNEYS, URETERS, AND URINARY BLADDER**
A book as dynamic as the kidney itself!
