PREFACE	vii
INTRODUCTION by CLARENCE G. BANDLER	xiii
<b>Section One: GENERAL PRINCIPLES OF UROLOGIC SURGERY</b>	<b>1</b>
<b>Section Two: OPERATIONS ON THE KIDNEY</b>	<b>3</b>
1. Lumbar Approach to the Kidneys	4
2. Lumbar Approach with Rib Resection	6
3. Nephrectomy	8
4. Closure of the Lumbar Wound	10
5. Subcapsular Nephrectomy	12
6. Calycectomy or Partial Nephrectomy	16
7. Resection of the Isthmus of a Horseshoe Kidney	20
8. Nephro-ureterectomy	24
9. Transperitoneal Nephrectomy	28
10. Nephrostomy	30
11. Plastic Operations for Hydronephrosis	34
The Heinecke-Mikulicz Technic	34
End-to-Side Anastomosis	38
The Foley Y-plasty	40
12. Pyelolithotomy	44
13. Nephrolithotomy	48
14. Pyelonephrolithotomy	50
15. Nephropexy	52
16. Renal Denervation	58
17. Decapsulation of the Kidneys	60
18. Drainage of Perirenal Abscess	62
19. Operation for Renal Cyst	66
20. Rovsing Operation for Polycystic Kidney	68
21. Transthoracic Nephrectomy	70
<b>Section Three: OPERATIONS ON THE ADRENAL GLAND</b>	<b>79</b>
22. Perirenal Air Insufflation	80
Perinephric Air Injection	80
Rivas Technic for Pneumoretroperitoneum	82
23. Lumbar Adrenalectomy	84
24. Transperitoneal Adrenalectomy	90
<b>Section Four: OPERATIONS ON THE URETER</b>	<b>95</b>
25. Approach to the Upper Third of the Ureter	96
26. Approach to the Middle Third of the Ureter	100

## CONTENTS

27. Approach to the Lower Third of the Ureter	104
28. Uretero-ureterostomy	108
29. Ureteroneocystostomy	112
30. Ureterosigmoidostomy	118
Submucosal Tunnel Technic (Coffey 1)	118
Mucosa-to-Mucosa Approximation (Nesbit)	122
Mucosa-to-Mucosa Approximation (Cordonnier Technic)	126
31. Cutaneous Ureterostomy	130
32. Vaginal Ureterolithotomy	134
<b>Section Five: OPERATIONS ON THE BLADDER</b>	<b>137</b>
33. Suprapubic Cystotomy and Cystostomy	138
34. Suprapubic Trocar Cystostomy	146
35. Vaginal Cystotomy and Cystostomy	148
36. Drainage for Rupture of the Bladder	150
Extraperitoneal Urinary Extravasation	150
Intraperitoneal Urinary Extravasation	156
37. Partial Resection of the Bladder	162
38. Subrapubic Fulguration of Bladder Tumor	166
39. Operation for Suprapubic Urinary Fistula	170
40. Operation for Vesicovaginal Fistula	172
Vaginal Approach	172
Suprapubic Approach	176
41. Vesical Diverticulum	180
Extravesical Approach	180
Intravesical Approach	184
42. Operations for Stress Incontinence	188
Vaginal Repair	188
Suprapubic Repair: Vesicourethral Suspension	194
43. Operations for Urachal Cyst	198
44. Excision of the Exstrophic Bladder	202
45. Total Cystectomy	204
<b>Section Six: OPERATIONS ON THE PROSTATE</b>	<b>211</b>
46. Transvesical (Suprapubic) Prostatectomy	212
47. Extravesical (Retropubic) Prostatectomy	218
48. Radical Retropubic Prostatectomy	224
49. Perirenal Prostatectomy	232
50. Radical Perirenal Prostatectomy	242
51. Transurethral Resection of the Prostate	246
<b>Section Seven: OPERATIONS ON THE SCROTUM AND TESTICLE</b>	<b>251</b>
52. Orchiectomy	252
Intracapsular Orchiectomy	256
53. Operation for Hydrocele	258
54. Operation for Torsion of the Spermatic Cord	262
55. Ligation of the Vas Deferens	264
56. Operation for Varicocele	266
57. Operation for Undescended Testicle	268
58. Epididymectomy	274
59. Epididymovasostomy	276

# CONTENTS

<b>Section Eight: OPERATIONS ON THE URETHRA</b>	<b>279</b>
60. Operation for Epispadias with Incontinence (Dees)	280
Repair for Incontinence	280
Repair of Epispadias	284
61. Operations for Hypospadias Repair	286
First Stage: Correction of Chordee (Nesbit)	286
Second Stage: Formation of the Urethra	288
Third Stage	290
Alternate Second Stage: Formation of the Urethra by the Tube	
Graft Method (Young and Benjamin)	292
62. External Urethral Meatotomy	296
63. Perineal Urethrotomy and Urethrostomy	298
64. Operation for Impassable Stricture of the Urethra	300
65. Repair of Urethral Fistula	302
66. Repair of Rupture of the Urethra	304
67. Operation for Urethral Caruncle	308
68. Operation for Urethral Diverticulum in the Female	310
<b>Section Nine: OPERATIONS ON THE PENIS</b>	<b>313</b>
69. Circumcision	314
70. Partial Amputation of the Penis	316
71. Radical Amputation of the Penis	318
<b>INDEX</b>	<b>323</b>
